community showed for this charity," said Caliendo. "There has been considerable progress made in diagnosing the cause and treatment of this disease, and I hope our contributions will further heighten awareness and concern for its victims."

The proceeds from the

\$300-a-couple affair will be used to help build an Alzheimer's Adult Day Care Center in Boca Raton.

Leach, the well-known television personality, flew from New York City in order to participate in the event.

"Mr. Leach is a nationally known supporter of the

Alzheimer's cause and it was certainly an honor to have him here," added Caliendo.

On display at the affair was a selection of Renoir lithographs and prints from the collection of Dr. Joseph R. Stella.

In addition, Richard Basset, president of Fort Lauderdale-based Bass Boats, donated two

Sea Bay yachts for auction, with the proceeds going to the charity.

The invited guests also had the opportunity to tour the 18,000-square-foot home which was designed, built, and decorated by S. Caliendo Building and Design.

The estate's list of luxury

features includes fireplaces that extend from floor to ceiling, fountains-indoors and outdoors, front doors valued at \$10,000, a full-size bank vault, wine room, and a glass elevator leading to one of several observation decks.
